Account Closure & Others		
21	Can I close my JA-i?	Yes, you can perform account closure at any HLISB/HLB branch.
22	Are there any fees for early account closure?	<p>There are no charges for early account closure.</p> <p>The profit will be prorated based on the number of days the account remains active for that particular month and will be credited on the day the account is closed.</p>
23	What happens if my child's JA-i becomes inactive?	<p>To keep the child's account active, it needs to have at least RM1 in JSA-i at all times.</p> <p>If the account balance falls below RM1:</p> <ul style="list-style-type: none"> The savings account will be closed. This means the entire JA-i, including the linked JFD-i and Reloadable Account (if any), will also be closed. <p>To avoid this:</p> <ul style="list-style-type: none"> Make sure to keep at least RM1 in JSA-i. If you don't plan to use the account anymore, it's best to officially close it with the bank. This will avoid any potential issues or fees in the future. <p>It's important to stay active with your child's account and encourage them to develop good savings habits from a young age.</p>
24	Who should I contact if I detect any fraud or unauthorised transactions from my JA-i?	If you encounter any suspicious transaction(s), please call the Bank immediately at +603 7626 8899.
Account Conversion & Others		
25	What happens to my child's account when they turn 18?	<p>In the month following your child's 18th birthday, the account will be converted to a joint savings account-i. This means:</p> <ul style="list-style-type: none"> Shared control: Both you and your child will have access to manage the account together. Continued savings: The money stays safe and continues to earn profit. Greater flexibility: Your child gains more independence in managing their finances, while still having your guidance and support. <p>This smooth transition helps your child step into adulthood with a solid financial foundation and valuable experience in managing their own money.</p>
Auto Enablement for Toll-Related Transactions		
26	What is the definition of a toll-related transaction?	A toll-related transaction refers to payments made at the payment terminal located at the toll plaza on highways or expressways. After you have completed your journey on the expressway, the toll operator will debit the total amount to your JDC-i.
27	How do I activate my JDC-i for toll-related transactions?	No activation is required. HLISB will automatically enable JDC-i features for toll-related transactions, effective from the implementation date.
28	Can a cardholder disable the toll-related transaction feature?	The feature will be permanently enabled on the card, effective from the implementation date and cannot be disabled.

29	What can cause a toll-related transaction to fail?	Expired JDC-i will result in failure of toll-related transactions. Please ensure sufficient balance in the account to perform toll-related transactions.
