**Subscription and Redemption**

17. I tried transacting RM500,000 to invest in TIA-i but it failed. Why is that so?

HLB Connect has a maximum limit of RM250,000 per transaction. Hence, you can invest above RM250,000 through a combination of more than 1 transaction. For example, you may invest RM500,000 through 2 transactions of RM250,000.

18. Are there any auto-renewal features for TIA-i?

Yes, there are. IAH can choose the following options for auto-renewal:

- **Principal only:**  
Only principal amount will be renewed; profit will be credited into IAHs' CASA/CASA-i;  
or
- **Principal with Profit:**  
Both principal and profit will be renewed.

19. Can I redeem my TIA-i before the maturity date?

We strongly discourage early redemption. However, early redemption is allowed but there will be no profit paid.

20. Is partial redemption allowed?

No.

**Profit Distribution**

21. How do I receive the profit?

Profit payment will be credited into your CASA/CASA-i based on the mutually pre-agreed Profit Sharing Ratio (PSR). For further information on PSR, please refer to the Product Disclosure Sheet [here](#).

22. When do I get the profit?

Profit will be credited at the end of the investment period/tenure.

23. Is the profit return guaranteed?

No, the rate of return for TIA-i is an indicative profit rate.

24. Can my profit return be higher than the indicative profit rate?

No, as you have agreed to forego the excess profit above the indicative profit rate under the Shariah concept of Tanazul.

25. Is it possible that I incur losses or no profit through investment in TIA-i?

Yes, it is possible due to reasons like market-wide failures, financial/economic crisis, force majeure (such as war, natural disaster, etc), or various other factors. Based on *Mudarabah* contract, the IAH will bear any losses incurred unless the loss is due to any act of misconduct, negligence, or breach of the specific term by HLISB.

**Fees and Charges**

26. Are there any fees and charges for TIA-i?

No.

**General Inquiry**

27. Do I get an account statement for TIA-i?

Yes, an online account statement will be posted in HLB Connect.

28. What browsers can support HLB Connect?

All browsers can support HLB Connect including Internet Explorer, Mozilla Firefox, Google Chrome, Safari, etc.

29. Is there any cost to register for HLB Connect?

No, there is no cost to register for HLB Connect.

30. Why do I have to take the Suitability Assessment (SA)?

The SA is used to measure your risk profile/appetite so that HLISB can remind you if the investment does not suit your risk profile. This is to ensure that you are well-informed of the risks in making a certain investment decision.

31. How will the SA help me in making my investment decision?

The SA assesses you in 3 key areas:

- Financial capabilities;
- Investment need and appetite; and
- Investment knowledge and experience.

This assessment is designed to get the view of your risk profile. However, the accuracy of this assessment depends on how genuine you are in answering the questions.

32. Is TIA-i protected by Perbadanan Insurans Deposit Malaysia (PIDM)?

The product is **NOT** protected by PIDM.
