

**FAQs: Instalment Revision for Property Financing-i Accounts**

**Q1: Why did I receive a notice/SMS from the Bank advising me that my instalment amount will be revised to a lower amount starting 01/10/2020?**

A1: Your Instalment is revised due to the combination of 3 factors

- End of Moratorium (6 months from April 2020 to September 2020)
- Change of Reference Rate: IBR/ IFR/12-month FDR on 12 May 2020 (-0.50%)
- Change of Reference Rate: IBR/ IFR/12-month FDR on 10 July 2020 (-0.25%)

Hong Leong Islamic Bank has adjusted the Reference Rate as follows:

Reference Rates	12/5/2020	10/07/2020
Islamic Base Rate (IBR)	2.88% p.a.	2.63% p.a.
Islamic Financing Rate (IFR)	5.89% p.a.	5.64% p.a.
12-month Fixed Deposit-i Rate (FDR)	1.85% p.a.	1.60% p.a.

And in line with these adjustments, we have reviewed your Property Financing-i account and revised your instalment accordingly so that your account may be paid off in full within the remaining tenure of financing.

**Q2: I have existing financing with Hong Leong Islamic Bank. Will the decrease in reference rates affect the effective profit rate of my financing account?**

A2: Yes. If your existing financing account is pegged to the reference rate, the effective profit rate of your account was revised in May and July 2020.

**Q3: I noticed that my instalment amount has been revised. Why didn't I receive the notification letter from the Bank to inform me on this instalment revision?**

A3: The notification letter on instalment revision was delivered to you by normal mail in September 2020 based on the correspondence address provided by you. If you have changed your correspondence address, you are advised to go to our nearest branch to update your correspondence address.

**Q4: How is my revised instalment calculated?**

A4: Your revised instalment is calculated based on :

- your financing outstanding balance as at 17 September 2020
- the remaining tenure and,
- the current effective profit rate as at 17 September 2020.

The revised instalment is calculated based on a universal standard financing amortization formula.

**Q5: I have several financing accounts with your Bank. Why did I receive only one notification letter from the Bank?**

A5: If you did not receive any notification letter for your other accounts, it means that your other accounts are excluded from instalment revision during this round and hence instalment adjustment is not required. We will continue to review all your accounts as and when an adjustment is required and notify you accordingly.

**FAQs: Instalment Revision for Property Financing-i Accounts**

**Q6: The IBR and IFR were reduced twice. Why is there only 1 revision of instalment?**

A6: Your account was Automatically Opt-In for Moratorium, therefore, you are not required to make any payment for your account. The Bank has planned to revise the instalment in October 2020 when the moratorium ends.

For the reduction of IBR, IFR and FDR on 12 May 2020 and 10 July 2020 and at the end of the Moratorium, we have combined all the changes into a single instalment revisions effective on 1 October 2020.
